### FROM THE DESK OF

**President,  
Computronics, A Gateway to Computer World  
Mrs. R. Chakraborty**

At the very onset, I would like to express my sincere congratulation and thanks to the organizers for arranging the 6<sup>th</sup> Bi-Annual Convocation-‘24 which is a tale of journey of dedication, creativity, responsibility and encouragement to a framed destination.

In this pious occasion i.e. the bi-annual convocation celebration I would like to recollect the vision of a mission of building up such an organization which will not only serve as a computer training centre, but it will also be a centre where students have the freedom to flourish their ideas, concepts through learning, advance projects and be confident in communication.

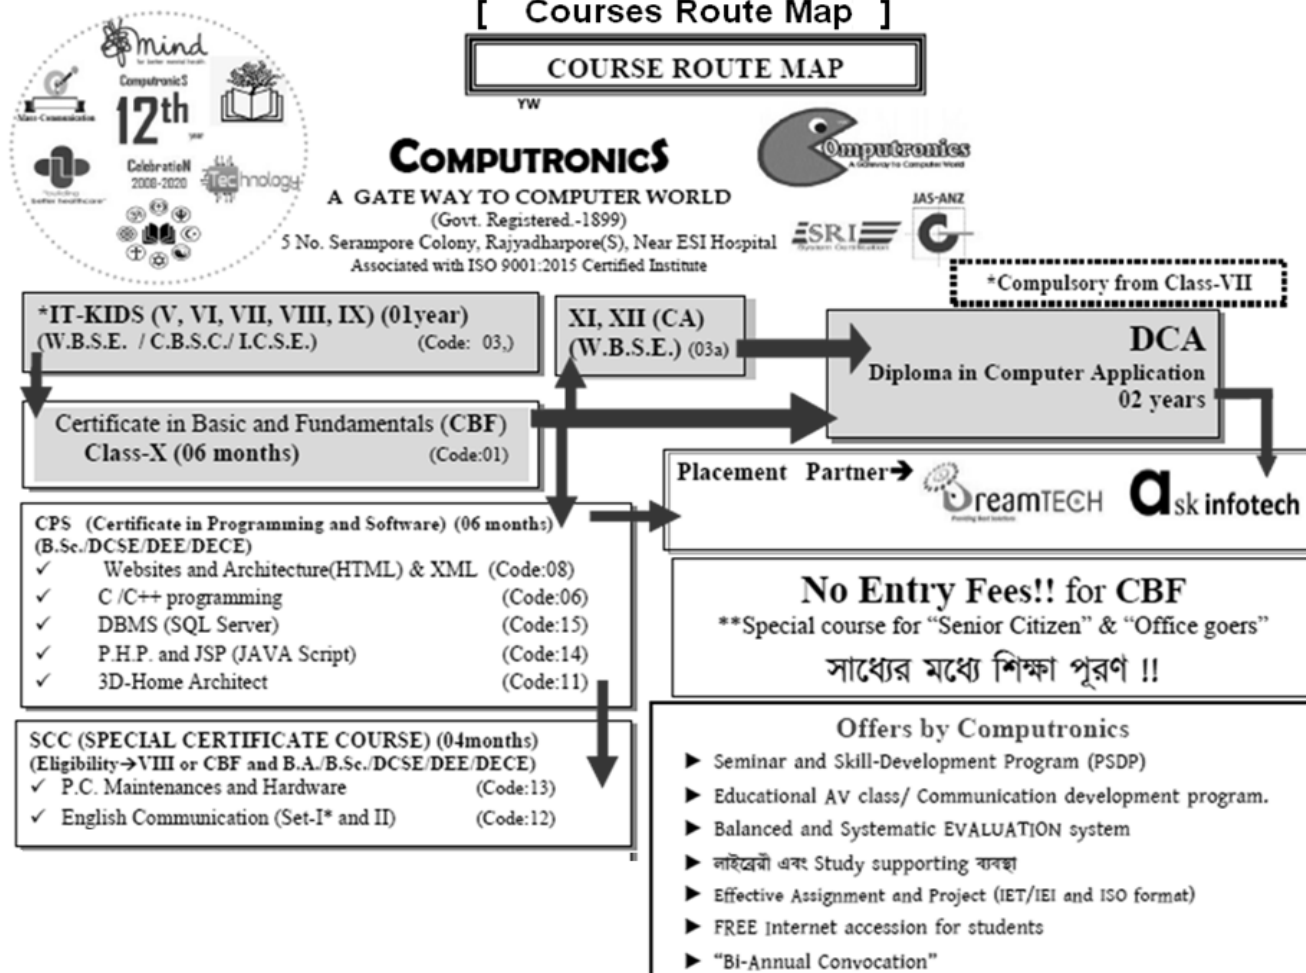

In this august occasion of 6<sup>th</sup> year celebration and Bi-Annual convocation of the institution, I would like to thank the BBICA, Hindmotor authority and the organizing team those who were and are a part of this journey. I would like to express my gratitude to the authority of ISOEH, Kolkata and Dream Tech Solutions Pvt. Ltd., Kolkata for their immense support and collaboration.

I wish all the best to the winners and Awardees’ for their future success.

**RATNA CHAKRABORTY**

## Report and statistics

## [ Courses Route Map ]

## Vision

The main objective behind the establishment of this institute is to make the computer literacy within the reach of everybody, specially the local community and rural pupil and made them believe that the computer literacy is not so far to reach and be motivated to achieve it.

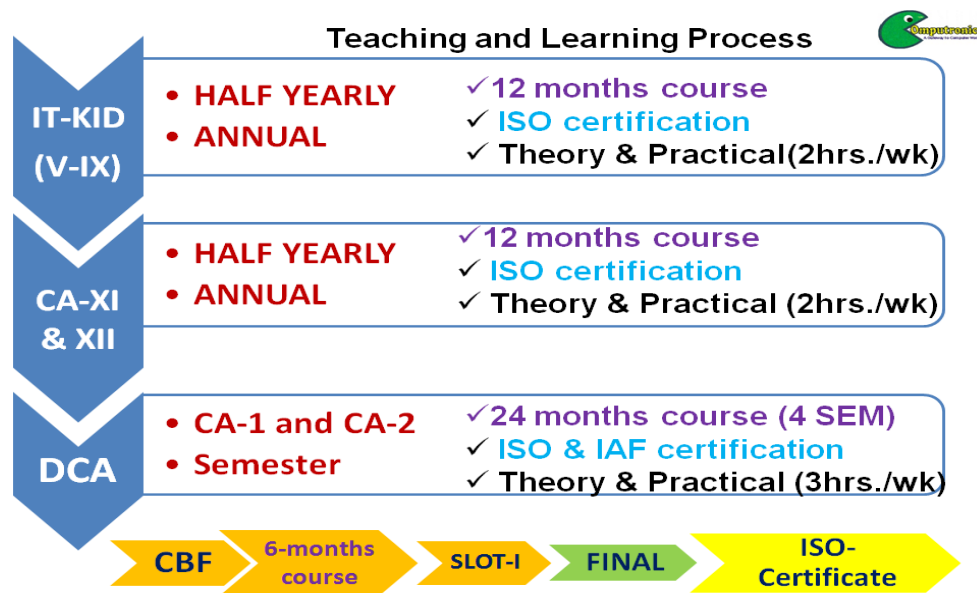

## Mission

1. Make computer education and training within the reaching of every one especially the under privileged and rural pupil.
2. Provide quality training with trending technical equipments and knowledge.
3. To aspire 100% success rate in application level.
4. Enhance the "employment accessibility" of the student.
5. Develop the confidence and present ability on the base of their capabilities.

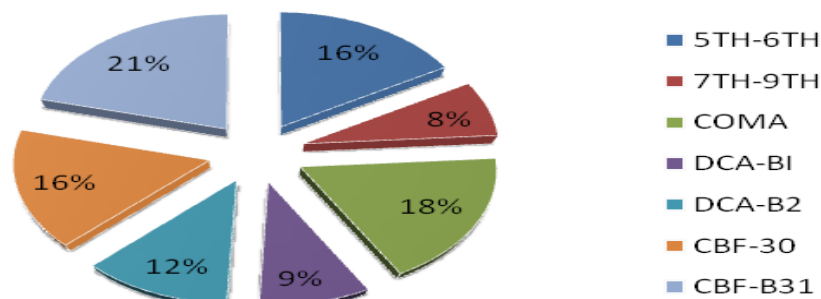

## Quality Policy

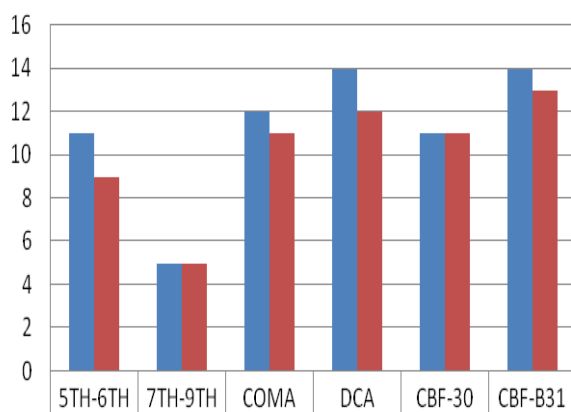

- ☐ One man one machine system
- ☐ Presentation and Skill-Development Program (PSDP) and Coding Skill Development Program (CSDP)
- ☐ Educational AV class self-development program.
- ☐ Balanced and Systematic EVALUATION system.
- ☐ Library & Study supporting arrangement.
- ☐ Effective Assignment, Project (IET and ISO format)
- ☐ FREE Internet accession for students.
- ☐ Bi-Annual Convocation and encouragement prizes in different learning stages.
- ☐ Industry personnel interactions with seminars, talks
